

# God is Love

---

**God is Love...**

**And Love is the Life and Light of the Spirit,**

**But you must have Faith and Know,**

**That Love is in us all,**

**Even the unloving... There is yet a spark... a light... a hope.**

**May it become a consuming fire in you!**

**The Fruit of-is righteousness, kindness and truth.**

**But you must have Faith to Know.**

**And of these: peace, joy and understanding.**

**But you must have Faith to Know.**

**Of these comes enduring patience and long suffering.**

**May you have Faith and Know!**

**“Christ in you”**

**The hope of glory,**

**The Life and Light of the Spirit**
